

# MY 2020 MANIFESTO

---

This year is *my year*.

I, \_\_\_\_\_, commit myself in 2020  
NAME  
to facing the challenges that keep me  
from true growth.

My number one challenge is

\_\_\_\_\_.

CHALLENGE

This issue has prevented me from

\_\_\_\_\_.

GOAL

But that's about to change.

Starting today, \_\_\_\_\_, I will use my  
DATE  
hard work, ingenuity and fearless persistence  
to tear down the walls that stand between  
who I am and who I want to be.
